Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Thursday 16 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Thursday starts dry, bright. Rain spreading from west later.

Today:
Dry morning with some sunshine mainly in the east, then becoming cloudy from the west, with a few spots of rain, this becoming heavier and more persistent later. Freshening southerly winds. Maximum temperature 18 deg C (64 deg F).

Tonight:
Occasional rain continuing this evening this becoming light and patchy overnight, though heavy rain will reach the far west by morning. Mild with a fresh southerly breeze. Minimum temperature 14 deg C (57 deg F).

Friday:
A cloudy day with outbreaks of rain through the day, some of which will be on the heavy side. Winds easing. Maximum temperature 18 deg C (64 deg F).

Outlook for Saturday to Monday:
Mainly dry with some sunshine on Saturday and Sunday though some showers later Sunday. Sunny spells and scattered showers on Monday.
